CIVIL AVIATION PARTS SUPPLIER

Expansive Distribution

Over 2 Billion New, Used, Obsolete & Hard-to-Find Aviation Parts.

Who We Are

Expansive Distribution is a leading supplier of civil aviation parts and components, serving customers with a searchable database that spans manufacturers, categories, and part numbers. From aircraft bearings to jet engine parts, we make it simple to find and quote hard-to-source components.

Every shipment is fulfilled in the U.S.A. and complies fully with U.S.A export laws — no exceptions.
